

2018 Volunteer & Internship Opportunities

We are seeking interns and general volunteers for our summer learning program, **SLIDE!** Any reliable adult and/or approved, supervised minor with a heart for children may volunteer.

The SLIDE program is free to families, and serves children with special needs in Metro Detroit ages 3-12. Primary services involved are occupational therapy, speech-language pathology & special education, but we welcome interns and volunteers from diverse disciplines seeking field experience with licensed, certified therapists & teachers, or simply a fun opportunity to support children in their community this summer.

Program Locations:

Bradford Academy, Southfield, MI

Samaritan Center (Matrix Head Start), Detroit, MI

Program runs Mon-Thurs from July 9 through August 17, from 9am-3pm.

Volunteers are needed every day, and scheduling is flexible.

Spend some of your summer giving much needed therapeutic, educational & social experiences to children with special needs in Metro Detroit.

Interested? For more information, please contact:
