

CALL FOR VOLUNTEERS

The Detroit Institute for Children is proud to present **SLIDE**, our summer learning program for children with special needs. **SLIDE** (Summer Learning Individualized Developmental Experiences) will provide the opportunity for a continuation of crucial therapies to avoid setbacks due to cessation of services over the summer months.

We are seeking volunteers to work directly with our professional field staff and the children we are serving to support the programs and enhance the experience at **SLIDE**.

Any adult with reliable transportation and a heart for children may volunteer!

The program will:

- Serve children aged 5-12 with special needs
- Take place in two locations (Detroit and Grosse Pointe/Harper Woods)
- Run July 10 to August 18

We are also looking for student volunteers studying:

- Speech Language Pathology
- Occupational Therapy
- Special Education
- Education
